

# intro to Flash CS4

School of Visual Concepts  
Wednesdays, 1/13 - 2/10  
6:30 - 9:30pm

Scott Thiessen, instructor  
[scott@sccottt.com](mailto:scott@sccottt.com)  
[sccottt.com/intro-to-flash](http://sccottt.com/intro-to-flash)

---

## *week 5 handout*

### Topics

1. Go over Homework
2. Slideshow Homework Walk-through
3. Optimizing Your Flash Work
4. Controlling Publish Settings
5. Putting Your Work on the Web
6. Where to Go From Here
7. Have Any Last Questions Answered

### Reading

Chapters 18 in *Flash CS4 Professional: Visual Quick Start Guide*

### Recommended Web Hosts

<http://hostgator.com>

\$5 / month

Unlimited space & bandwidth

<http://NearlyFreeSpeech.net>

Pay as you go (dirt cheap for most of us)

No true email accounts

### Recommended Flash Resources

<http://lynda.com>

Multitude of great, thorough Flash video tutorials. \$25 / month for access.

<http://kirupa.com>

Free Flash tutorials of all kinds. Usually not as thorough or high quality as lynda.com. Make sure to find the ActionScript 3.0 tutorials, so not to confuse yourself.

<http://gotoandlearn.com>

Many video tutorials for advanced and interesting applications of Flash. All free!
